

JOB ORDER APPLICATION GUIDE

Digital MOFA Application

Job Order Renewal & New Job Order Application

PURPOSE OF THIS GUIDE

This guide explains how to authenticate the required documents through the Digital MOFA application for Job Order Renewal and New Job Order Requests, and what must be presented to the Consulate after submission.

REQUIREMENTS

Before starting the authentication process, make sure all required documents are available and listed on the Requirements page.

Job Order Renewal

No.	Required Document	Purpose
1	New Job Order	Authenticate through Digital MOFA
2	Old Job Order	Supporting document

4	Business Registration - if applicant is the owner	Company representation
5	Letter of Authorization - if applicant is not the owner	Company representation
6	Applicant's Permanent Residence ID / Iqama	Front and back

Renewal note: The Dormitory License must be translated and authenticated and brought physically to the Consulate. It does not need to be uploaded in the Digital MOFA renewal application.

New Job Order Request

No.	Required Document	Selection in App
1	Commercial Registration	Business License
2	Recruitment License	Business License
3	Criminal Clearance Certificate	Crime Clearance Certificate
4	ID	ID & Passport
5	Job Order	Technician Paper
6	Acceptance of Power of Attorney	Technician Paper
7	Lease Agreement	Technician Paper
8	Dormitory License	Technician Paper

Company representation documents: If the applicant is the business owner, have the Business Registration and the Power of Attorney sent by the Ethiopian agency, together with its Ethiopian MOFA authentication ready. If the applicant is not the business owner, have the Letter of Authorization and the Power of Attorney sent by the Ethiopian agency, together with its Ethiopian MOFA authentication ready.

Authentication Format: Both the English translated document and the original Arabic document must be authenticated. Upload the colored version of the authenticated translated English document and the greyed-out copy of the authenticated Arabic document.

AUTHENTICATION PROCESS

Follow the steps below to authenticate the required documents for Job Order Renewal and New Job Order Requests.

1

Check the Requirements page

Before proceeding, make sure the required document is available and listed on the Requirements page.

2

Select "Authentication and Legalization"

Before selecting the country, you will be presented with two options: "Power of Attorney" and "Authentication and Legalization." Select "Authentication and Legalization" to proceed.

3

Select Country of Residence

Search for and select Saudi Arabia, then continue.

4

Select Citizenship

Select "I'm a Foreign Citizen," choose your nationality, then continue.

5

Select Application Type

Select "Applying on behalf of Company," then press Continue.

6

Enter Company Information

Enter Company Name, Contact Person of Company, Company Contact Number, and select the person applying on behalf of the company.

7

Enter Applicant Details

Complete First Name, Middle Name (Father's Name), Last Name (Grandfather's Name), Sex, Date of Birth, and Your Role Within the Company.

8

Enter Address & Contact Information

Complete Street No., Street 1, Street 2 / Apartment Number, City, Country, State, ZIP, Phone, and Email.

1. JOB ORDER RENEWAL

After completing the common application steps, continue with the following Job Order Renewal steps.

1

Company Representation Documents

If the applicant is the business owner: select Business Registration, then upload the Business Registration, the Power of Attorney sent by the Ethiopian agency, together with its Ethiopian MOFA authentication, and the old Job Order.

If the applicant is not the business owner: select Board or CEO Permission Letter, then upload the Letter of Authorization, the Power of Attorney sent by the Ethiopian agency, together with its Ethiopian MOFA authentication, and the old Job Order.

Use Upload Next Page (if available) to keep all documents/pages under the same selection. Preview the documents before continuing.

2

Upload Applicant ID / Iqama

Upload clear images of the front and back of the applicant's Permanent Residence ID / Iqama.

3

Select the Renewal Document Type

Under Enter Document Details, select Technician Paper.

4

Upload the New Job Order Only

For the renewal document, upload the new Job Order only. If it has multiple pages, use Upload Next Page (if available), then preview the complete document.

5

Finish Uploading

Select Done Uploading. Proceed with 1 Document.

6

Signature and Video

Add the applicant's signature. Record the required video with the face clearly visible and read the displayed statement clearly and audibly.

7

Review Fees and Pay

Review the invoice, authentication/service fees, and complete payment using the available payment method.

2. NEW JOB ORDER REQUEST

IMPORTANT: For a New Job Order Request, follow the same steps shown in the Job Order Renewal process from the beginning of the application up to the company-representation document stage. Once you reach the company-representation stage, continue with the instructions below.
