E-Tawtheeq – EPRO's

User Manual

Transition to the new E-Tawtheeq System

Set username and password for the new E-Tawtheeq System

A one-time password must be set to login to the new system:

- 1- Login to the old E-Tawtheeq System.
- 2- A window will appear informing the user that the system has been launched in this country.
- 3- An email message will be sent automatically to the office main user only.

The Countries: Cambodia, Somalia, Sir Lanka and Vietnam has transferred to the new System, an invitation email will be sent to the admin user's email

- 1- When receiving the sent e-mail, please click on the link. <u>Complete the registration</u>, you will be transferred to Whaid page.
- 2- Fill out the required fields to set the password and username, then click on "Save".
- 3- You will be transferred to the new system, you can login using the new password.

Important Notes:

- The username and password are set once, and there is no need to repeat the steps.
- The main User of the office will be transferred to the new system without the sub-users, as the main user can re-create the sub-users in the new system.
- If the message from the new System dose not reach your e-mail, please re-try and verify you e-mail.
